REMARKS

Claims 1-30 are now in the application.

The above amendment is submitted with respect to Claims 1-30 that were filed with the International Authority on April 20 and August 29, 2000.

No new matter is believed to be introduced herewith.

Applicants believe that the present invention particularly as claimed herein, defines subject matter that is entitled to patent protection in the United States. Accordingly, an early and favorable action on the merits is believed to be appropriate and is courteously solicited.

In the event that there are any questions concerning this amendment, or application in general, the Examiner is respectfully urged to telephone the undersigned so that prosecution of this application may be expedited.

Respectfully submitted,

By:
